

# “YOU MATTER” BOXES

Pack healthy snacks and an encouraging note to hand out to people in your local community as an act of kindness.

## Impact

**Cause:** Spread your good light by extending a kind gesture to other members of your immediate community.

**Beneficiaries:** Completed packs can be distributed to first responders, librarians, lifeguards, after-school programs, neighbors, or other community organizations.

**Project description:** This project is a perfect opportunity to host a volunteer event in your home and spread joy to your surrounding community.

During this project, the lead will purchase MATTERbox volunteer kits from <https://www.matter.ngo/volunteer-kit/> to assemble and distribute in your neighborhood.

Each Kit comes with everything you'll need to pack 50 healthy snack packs and an encouraging note. This at-home volunteer activity makes it easy to do good.
